

Tiffany's

MAID SERVICE

SPRING CLEANING ISSUE

Spring is nearly here or here! It's the best time of year to let in the SUN!

With longer days coming in we get more sun and more dust bunnies!

As part of our services at Tiffanys Maid Service, we want to be the first ones to offer you the extra help you may need with your spring cleaning duties. We invite you to send us an email to tiffanysmaidservice@outlook.com with your spring detail cleaning requests.

“Because your standards aren't standard and life is easier with a little help”

BOOK YOUR TEAM FOR SPRING CLEANING

As a current Tiffany's Client we can offer you a manageable solution to the extras that need tending to every spring. With your already attending team of trained professional cleaners, you can request additional time during your regular visits. We are happy to take your request by phoning our office @ 705-675-7772 or sending us an email to tiffanysmaidservice@outlook.com

Relax this spring

SPRING CLEANING IDEAS FOR YOUR HOME

What we suggest:

Moving your furniture to get the dust bunnies out.

Moving appliances, fridges and stoves underneath are always collecting something. Pet Hair, crumbs, dust, rubber bands, money! You name it, we find it under your appliances. Yes! We clean the insides too!

Windows are the windows to the outside and you want a nice clear picture, we can do a quick clean of the glass or preform a deep window service.

Lights, lights, lights means dust, dust, dust am I right? We can even access very high fixtures by request.

Baseboards, baseboards everywhere, on our hands and knees is where we will need to be to take this task on.

Walls are no different and dirty walls really can bring down the mood of a room, messy walls equals frowns all around.

Trim and on top of out of reach places is a happy home for dust bunnies, but these aren't the cute ones.

We also offer additional services to keep your home smelling fresh and clean such as:

Carpet and upholstery shampooing and spot removal with our Green cleaning pro carpet extraction machine.
